Standard 1: Intended learning outcomes	satisfactory
Standard 2: Teaching-learning environment	satisfactory
Standard 3: Assessment and achieved learning outcomes	satisfactory
General conclusion	satisfactory

- Opmerkingen

- quality of teaching staff is adequate but advice to increase percentage of teachers holding a PhD and BKO or SKO
- Programme Committee should adopt a (pro)active, instead of reactive, attitude
- number of 60 assessments might be too much
- rethink and refresh blended learning design taking into consideration recent developments in e-learning and virtual classroom facilities

- Volgende visitatie 2012-2018 (jan.2019)

6. Toekomst

Discussie over:

- meer diversiteit in studentenpopulatie (fulltime/parttime, NLs/internationaal, achtergrond BSc)
- meer keuzevrijheid voor studenten
- nieuwe vormen e-learning (Virtual Classroom, knowledge clips)
- balans individueel/groepswork
